ANNUAL REPORT 2016-2017

KMF BUILDERS & DEVELOPERS LIMITED

MANAGEMENT DISCUSSION & ANALYSIS REPORT

REAL ESTATE SECTOR

The sector witnessed a visible temporary slowdown since the announcement of the government demonetization policy.

On 8th November 2016 the government announced the demonetization of Rs. 500 and Rs. 1000 denomination notes, thereby rendering 86% of the cash in circulation as invalid. The government also placed various restrictions on the convertibility of domestic money and bank deposits. While the Broad motive of the Government of India behind this announcement was to curb the menace of fake currency notes and abolishing unaccounted money, the impact of this move was felt across all the sectors including real estate. This move crated a real dent in the residential real estate sector, pulling back the last quarter trend of residential sales. As a result it was one of the worst years itself.

REAL ESTATE REFORMS

Real Estate (Regulation and Development) Act, 2016 is a Government of India initiative to bring about the much needed transparency and order to the real estate transactions by creating a systematic and a uniform regulatory environment, thereby protecting consumer interest and making real estate developers accountable for timely completion of Projects. From 1 May, 2017 the entire act has been bought into force by the Central Government (except in the State of Jammu and Kashmir) there by embarking the beginning of a new era in the real estate sector of the country. So, far, only a few states have come up with their rules.

The residential real estate sector is going through a critical transition phase post demonetization as transaction activity has slowed down considerably. While demonetization has had a negative impact in the short term, it will eventually help improve governance standards in real estate and provide a level playing field for organized developers.

It will eventually help improve governace standards in real estate and provide a level playing field for organized developers. The implementation of RERA and Benami Transaction (Prohibition) Amendment Act (BTPAA) will lead to an increase in compliance costs for unorganized developers. This will pave way for consolidation in the sector as landowners seek to partner with reputable developers through the joint development model, and cash starved developers monetize their banks be selling it to developers

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of KMF Builders & Developers Limited (the "Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures

KMF BUILDERS & DEVELOPERS LIMITED

selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and payments of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, to the best of our information and according to the explanations given to us, except for the effect of the matter described in the above paragraph, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KMF BUILDERS & DEVELOPERS LIMITED

NOTES FORMING PART OF FINANCIAL INFORMATION

CORPORATE INFORMATION:

Company Background: The Company was incorporated on March 21, 1995 as KMF BUILDERS AND DEVELOPERS LIMITED to carry on business in development and construction of flats.

1.00 SIGNIFICANT ACCOUNTING POLICIES

1.01 BASIS FOR PREPARATION:

These financial statements are prepared in accordance with Indian generally accepted accounting principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed by the Rule 7 of companies (Accounting standards) Rules, 2014, as per Section 133 of the provisions of the Companies Act, 2013.

1.02 USE OF ESTIMATES:

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include computation of percentage of completion which requires the company to estimate the efforts expended, provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, post sales customer support and the useful lives of fixed **assess** and intangible assets.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material their effects are disclosed in the notes to the financial statements.

The management periodically assesses using, external and internal sources whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the **asszls** net selling price and value in use which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset is reversed if and only if the reversal can be related objectively to an event occurring after the impairment loss was recognized. The carrying amount of an asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

1.03 INVENTORIES:

Purab Manor Project:

Inventories are valued at cost. The total estimated costs to complete the Residential Project is estimated and accordingly, the cost of sales is worked out and transferred to the Statement of Profit and Loss out of the work in progress. Balance cost incurred is carried as inventory cost.

1.12 TAXATION:

Income tax:

Income tax expense comprises current tax for the year determined in accordance with the income-tax Act, 1961.

Deferred tax:

Deferred taxation is provided using the liability method in respect of the taxation effect originating from all material timing differences between the accounting and tax treatment of income and expenditure, which are expected with reasonable probability to reverse in subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only when there is a virtual certainty of realization of such assets.
